

Erasmus - Essen

From October 10 to October 14, 2023, selected students had the opportunity to participate in Erasmus in Essen, Germany. They were divided into two groups, one worked at Karmod Construction in the eastern part of Essen, where they either helped manually or learned to work more efficiently in AutoCad.

The second group tried Karmod Construction as well as the Architektur Team in Dortmund. In this company, they were given the opportunity to learn ArchiCad alongside experts. In addition to the assignments they were given, they could also try to design their own family home. They learned to work in a group, developed their imagination and their critical thinking.

Students visited monuments in Essen, e.g. Essener Münster and Stadtgarten.

They also visited neighboring cities such as Düsseldorf, Cologne or Bonn, where they mainly had a sightseeing tour.

In Düsseldorf, they saw various monuments such as Rathaus, Schlossturm and Barbarossaplatz.

In Cologne, they visited Cologne Cathedral, Ma'lot and Heumarkt.

In Bonn, they had the opportunity to see Bonner Münster, Rathaus, Beethoven-Haus and Botanische Gärten der Universität Bonn.

They also had the opportunity to see a play at the Aalto Theatre in Essen called a Smile, right after visiting the art Museum Folkwang.
