12/2022/2023

Przygotowany przez uczniów klas VIII

Wielkanoc to najważniejsze i najstarsze spośród wszystkich świąt chrześcijańskich.

Wielkanoc jest świętem ruchomym. W 325 roku, podczas soboru nicejskiego, ustalono, że Wielkanoc będzie obchodzona w pierwszą niedzielę po pierwszej wiosennej pełni Księżyca. Zgodnie z przyjętymi zasadami święto najwcześniej może wypaść 22 marca, a najpóźniej 25 kwietnia.

# Easter Traditions for Families

## 1. Plant an Easter Garden

It's no secret that Easter means the arrival of spring. Brighten your yard or balcony or simply your room with blooming plants. Consider pansies, tulips, marigolds, and petunias.

## 2. Decorate an Easter Egg Tree

Make a trip to the craft store and purchase some foam or plastic eggs and decorations. This is a fun activity and you can get creative. Attach a matching colored ribbon to each egg and hang from a live or artificial tree.

## 3. Gather Round the Table

Many families have a big Easter brunch or dinner, often featuring ham as the main course. Coming together over a meal provides families a time for fun, food, and being together.

## 4. Baking... and More Baking

Bunny, chick or egg-shaped cookies are perfect shapes to bake and decorate for Easter. Go traditional and serve hot cross buns on Good Friday, they fill the kitchen with spicy, sweet, and fruity aromas!

## 5. Decorate Easter Eggs

Dipping eggs in a brightly colored dye is a delightful experience for people of all ages. Decorate with glitter, paint, and stickers and use them to decorate the house or Easter baskets. You can plan an Easter egg decorating competition in your neighborhood!

## 6. Shell Crack Game

Here's a great Easter game to play year after year! This time each person gets his own hard-boiled Easter egg and pairs up with one other participant. The contest is to have each pair smash the small

ends of their eggs together. The person with the unbroken shell advances to the next round where they pair up and do it again. The one who has the last uncracked egg wins.

#### 7. Treats for the Easter Bunny

This tradition is similar to leaving cookies and milk for Santa, but make it a rabbit-friendly treat. Put carrots and water out before bedtime.

#### 8. Egg Rolling

Egg rolling is an important part of the Easter tradition in UK, that usually takes place on Easter Monday. Decorated, hard-boiled eggs are rolled down a hill to see which egg can go furthest without breaking.

Piękne święta, tylko dlaczego tak szybko mijają....

**Wesołych Świąt KOCHANI!**
